

Have you begun your studies in Manual Therapy and are looking for an environment that will encourage you to develop your treatment techniques and your clinical reasoning skills?

Are you interested in working with physiotherapists that are known for their expertise in Manual Therapy?

Would you like to do your clinical supervision hours in an environment where the supervising therapists are already on site?

Would you be interested in doing other post-graduate courses in Manual Therapy and keep your skills up-to-date?

Are you dynamic and eager to learn more?

DON'T HESITATE TO APPLY FOR A POSITION AT PHYSIOTHÉRAPIE MAHEU KILLENS, either for a part-time or a full-time position, even if you wish to work only 2 evenings per week. We also have a post available for a physiotherapist with skills in pelvic floor re-education.

We are also recruiting for the position of a **BILINGUAL PHYSIOTHERAPIST AND OSTEOPATH**, member of the OPPQ and ROQ, for a part-time position.

Our clinic is renowned for its services 'à la fine pointe' as well as its emphasis on continuing education in manual therapy, both internally within the clinic and externally through its teaching programs. The clinic offers a multi-disciplinary approach for its clients. In addition to orthopedic physiotherapy services, we offer top-of-the-line treatments in osteopathy, massotherapy and acupuncture.

If you would like to be part of a highly qualified and dynamic team of therapists, please send us your CV, either by fax (514)748-5834 or by e-mail physiomk@bellnet.ca.

Looking forward to meeting with you,

Elaine Maheu, Pht FCAMT

Doreen Killens, Pht FCAMT

PS. If you are unavailable but know of someone you feel may be interested in this position, please feel free to pass on this information.
